Dear Sir/Madam

RE: STUDENT INTERNSHIP FOR MUBBALA PAUL

This is to introduce to you Mubbala Paul, Reg No: SEP24/BSE/4582U/H a student of Uganda Technology and Management University pursuing a Bachelor of Science in Software Engineering.

As part of the UTAMU Curriculum, the students are required to gain practical experience by working in an organization under the guidance of a supervisor at work (internship). This is to request your organization to assist this student with an internship placement.

For any inquiries please don't hesitate to send an email to info@utamu.ac.ug

Thank you so much for your cooperation.

Yours sincerely

For Allen - AMU
Dr. Philip Ouma Ayoo

Dean School of Technology, Computing & Engineering
